This clinic will be for introducing new baseball players to learn the proper fundamentals of hitting and throwing. In this clinic, players will learn the basics of baseball which include hitting, throwing, and fielding properly. This is a four week training camp for 6 – 8 year olds to help get them started in their career of baseball.

Camp will take place each Saturday:

November 1st, November 8th, November 15th, November 22nd

Cut/Print -----
